**RECORD OF COMMUNICATION WITH THE SUPERVISORY EXAMINER**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

SIR:

On February 1, 2006 the undersigned, applicant's counsel, conferred by telephone with the supervisory Examiner, Mr. Dan Stodola in the above identified application.

Counsel had sought this telephonic conference in view of the application having been allowed by the Primary Examiner on December 27, 2005 as also shown in the PAIR system, and with February 20, 2006 being the statutory 6

Serial No.: 10/738,458

months date approaching. Counsel was advised by Mr. Dan Stodola that the application was in the clearance stage where clerical review is done after which a Notice of Allowance would be generated and send to applicant.

In conference, Mr. Stodola confirmed that should the Notice of Allowance not be received by February 20, 2006, based on the allowance by the Examiner on December 27, the application will not be considered abandoned.

It was agreed that counsel would check with Mr. Stodola in case no official mailing was received by February 15, 2006 since counsel was to depart for Europe on February 19, 2006.

Mr. Stodola also discouraged counsel from filing a Notice of Appeal on or before February 20, 2006 in case no Notice of Allowance were mailed by that date as that would, in accordance with Mr. Stodola's comments, only cause confusion.

This memorandum of conference is submitted for filing with the application.

Respectfully submitted,

By:
